

# Built for today, ready for tomorrow.

Insuresoft's digital insurance platform seamlessly couples insurer's core foundation with emerging tech.

Delivering the performance insurers need:

- Scalability
- Interoperability
- Affordability
- Manageability
- Faster Innovation

## Scalability

365 days/year,  
24 hours/day

up to

# 16

million policy  
transactions annually

Built on  
Microsoft Azure,  
our platform is  
the insurer of the  
future's key to  
success.

**Moving to the  
cloud produces  
big rewards**

## Profitable Growth

- Reduced cycle times for new business submissions
- Lower policy servicing costs

## Proven Performance

Supports

# 5

million policies  
per year

## Cost Effective

# 65-85%

reduction in hours
